

Potential Author-Editor Conflict of Interest on 10.1002/gj.5051

Concern is raised regarding the potential author-editor conflict of interest on the article [1], which was coauthored by Yunpeng Dong (董云鹏, Northwest University, China), the Editor-in-Chief (EiC) of "Geological Journal", and was handled by Bo Hui (惠博, Northwest University, China), a former student of Dong.

Handling Editor: B. Hui

Funding: Financial support for this study was jointly given by the NSFC (Grants: 42072260, 42372253 and 41930217), the Education Department of Shaanxi Provincial Government and Department of Science and Technology of Shaanxi Province (Program No. 2021JM-158).

一、个人简历

惠博，男，汉族，1994年5月生，副教授。2016年毕业于西北大学地质学系地质学（基地班），获理学学士学位；2021年毕业于西北大学地质学系构造地质学专业，获理学博士学位（导师：董云鹏教授）；2018-2019年赴奥地利Salzburg大学联合培养（导师：Franz Neubauer 院士）；2021-2024年在西北大学开展博士后研究工作（导师：屈红军、董云鹏教授）；2025年至今，西北大学任教。

主要从事造山带结构-构造解剖、混杂岩带解析、区域构造演化及其环境效应等方面的研究。以第一/唯一通讯作者在国内外期刊发表10余篇学术论文。共计被引1000余次。主持国家自然科学基金面上项目和青年基金、自然资源部深地国家科技重大专项专题、中国博士后科学基金面上基金、陕西省自然科学基金面上基金、陕西省地矿集团重点科研专项等科研项目。

入选2025年陕西省科协青年人才托举计划、2023年西安市科协青年人才托举计划、2024年Wiley China Excellent Author Program。研究成果获2024年陕西省教育厅高等学校科学技术研究成果特等奖（R3），2023年陕西省优秀博士学位论文奖、2021年西北大学优秀博士学位论文奖。

兼任《Lithosphere》Associate Editor、《华东地质》编委、《成都理工大学学报（自然科学版）》青年编委。在《Geological Journal》、《成都理工大学学报（自然科学版）》组织2期专辑。

The journal "Geological Journal" has two EiCs, and it remains unclear whether Dong supervised the assignment of the handling editor, or the other EiC did. Nevertheless, Dong should be aware that his student was handling the manuscript. It seems he decided offer a green light to it, although as an EiC, he could prevented it. This raises concerns whether Dong complied with the Wiley's policies for an EiC.
